WHEN SENDING FOR PRICES OF BULBS STATE QUANTITIES NEEDED.

The Attention of the Trade

* * * *

Is respectfully called to our Price List of especially selected
Florists' Flower Seeds, Bulbs and Florists' Supplies.
We give this branch of our business the most careful attention, and feel
fully satisfied that a trial will give the greatest satisfaction to the grower.

We request the trade to notice particularly our **high grade** strains of
Asters, Calceolaria, Cineraria, Cyclamen, Gloxinias,
Mignonette, Pansies, Petunias, Primulas and Stocks,
also our select list of **Cannas, Gladioli, Dahlias, and Lilies.**

We wish it distinctly understood that we do not in any way guarantee seeds. We employ every effort to secure the best, and test every variety we offer. Notwithstanding these precautions, seeds often fail to produce the desired results. This comes from variation of soils, climatic influence, and other conditions over which the seedsman has no control. For these reasons any guarantee, express or implied, cannot be given.

Orders from unknown correspondents must be accompanied by remittance or satisfactory reference.

Terms. Accounts rendered first of every month. A cash discount of two per cent. allowed on all orders accompanied by remittance; also on all bills paid within ten days after receipt of invoice.

No charge for packing. All goods delivered *free on board*, railroad or steamship in New York.

Soliciting your orders,

We remain respectfully,

STUMPP & WALTER CO.,

NEW MARGUERITE ASTER.

A cut flower of the first order. This is quite a distinct variety, having long stems, and the flowers being single, makes it very valuable alike for cutting and for

groups. The plant produces an enormous number of flowers from early in the season until late in the autumn, which retain their freshness for ten or twelve days in water.

Pure white, pale rose, carmine, azure-blue, dark violet, or mixed.

Price, 35 $\frac{1}{2}$ cts. per pkt.

BELLIS PERENNIS.

(Double Daisy.)

Maxima, red, extra large flowers,
per $\frac{1}{32}$ oz., 50 cts.

Snowball, pure white, per $\frac{1}{32}$ oz.,
50 cts.
